

AZ Game and Fish Programs

The next local HPC meetings will be in Spring 2019. Brad Fulk leads the Sierra Vista Chapter. The next deadline to apply for HPC funds is September 1, 2019. For those people who applied for HPC funds in September 2018, they will be notified if they were funded following the funding meeting in January. <https://www.azgfd.com/Wildlife/HPC/>

Landowner Relations Program (LRP) currently has funding available for projects through our access program (which provides public access to private lands.) There is no deadline, but cooperators are encouraged to reach out prior to July 1st. People interested in the program can call Matt Walton at (520) 388-4468 or myself at (520) 388-4471. LRP will also have funding becoming available for habitat improvement projects (projects that will mutually benefit wildlife and production) in July 2019. This is a cost-share program for projects smaller than \$20,000. Again, there is no deadline, but people interested in the program are encouraged to contact me prior to July 1, as funds will be allocated on a first come first serve basis.

Partners for Fish and Wildlife (US Fish and Wildlife) and Arizona Game and Fish also has funding available for smaller projects on private land only, that will mutually benefit wildlife and production. There is no deadline to apply, but funds will be allocated on a first come first serve basis. Interested cooperators should reach out to Jennifer Kaplan at (602) 889-5947 and/or Sarah Gandaria at (520) 388-4471. <https://www.fws.gov/partners/aboutus.html>
